## Taste Test

### mesh Eden Valley Riesling 2002

This is a collaborative project between Riesling winemaking icons Jeffrey Grosset and (Robert Hill Smith from) the family owned Yalumba Winery. The wine glows with a translucent very pale lemon/green hue and shows some gorgeous floral, lime, mineral and citrus fruit aromas. The flavours are driven by a very focused acidity and finish with good chalky textures and great length. Will live for decades, but is great with all manner of seafood now.
