uncorked wine guide by HUON HOOKE and RALPH KYTE POWELL

mesh

EDEN VALLEY RIESLING

2003

A collaboration between two people who know a lot about Riesling, Jeff Grosset and Robert Hill Smith ... **mesh** is a super-fine Eden Valley wine. There are floral and citrus characters, along with the slaty minerality that marks the best. Long, clean and firm, it should age well. **Food** chicken with lemongrass.
