

FOOD & WINE

September 2006

"... Riesling exists in a wide range of styles, from bone-dry to sweet, full-bodied to light. It thrives in cool-climate regions around the world - Germany, pre-eminently, but also Austria, France's Alsace, parts of the United States and Australia's Clare and Eden Valleys."

BUY | FOOD FRIENDLY RIESLING

"... A joint venture between Riesling star Jeffrey Grosset and Yalumba owner Robert Hill Smith, this zesty wine full of mouthwatering lime flavor comes from three blocks of old vines in the Eden Valley."
