EDEN VALLEY RIESLING

2005

ON WINE - (AUST) 06/10/2005

An incredible riesling in the classically stylish and powdery Eden Valley style, with a purity of accent and simply exceptional delivery. There's something of the wild, mineral and exotic about its heady perfume of floral, citrus and stonefruit aromas. Long, tight and tangy, its clear lime juice palate builds towards a crescendo of flavour prior to a taut and mineral finish of wonderful length. Grand Cru stuff. *Jeremy Oliver*
